Which  
ASCP School  
membership is  
right for  
you?

*Strong Schools*  
=  
*Successful Students*

Associated Skin Care Professionals (ASCP) is the largest association offering professional membership—to schools, instructors, and students—designed to ensure successful careers in the skin care industry.

ASCP is your trusted partner, providing exclusive curriculum support and resources. From guiding students on their career paths with ASCP Toolkits to offering valuable education, discounts, and more, we help ensure success for both students and educators.

**If you have questions or would like to become an ASCP School member, call 800-789-0411 or email [education@ascpskincare.com](mailto:education@ascpskincare.com).**
